
ABOUT OUR STABLE...

Cambridge Stables is a full service facility offering boarding, English riding instruction and horse training.

The owner, Tricia Rabalais, started riding at the age of five. She received her first horse, *Gold the Great*, in 1988. In true entrepreneurial spirit, she started giving pony rides in her front yard to fund her horse habit at the very early age of nine. This progressed to teaching riding lessons at age 13.

Tricia is a former Pony Club member who competed in Nationals twice. She has also competed in dressage, hunters, jumpers, and eventing. She earned her Bachelor's Degree in Child and Family Studies from the University of Louisiana.

Tricia is a past board member for ATRO (Acadiana Therapeutic Riding Organization) and helps those pursuing certification to pass the riding exam.

In January 2000, she purchased 7.5 acres in Maurice, LA and started developing Cambridge Stables from the ground up. The facility now includes the following amenities:

- 34 Stall Barn
- Covered Arena with Lights
- Outdoor Arena with Lights
- All Weather Footing Jumping Arena
- Tack Room with Private Lockers
- Currently 12 acres and growing

Cambridge Stables provides safe lesson horses and well-trained, seasoned show horses. Special camps are offered in the summer for boarders and current students. Birthday parties are a blast at Cambridge. You can be assured that your child will be safe and have a great time at Cambridge. Come join us!!
